RE: 2012 Winter Lecture Series

Dear Colleague,

Please join us at this year's Winter Lecture Series which is scheduled to begin on Tuesday, January 17, 2012. We have received confirmation from the Sacramento Valley Veterinary Medical Association that they will once again be co-sponsoring these continuing education opportunities and you will receive CE credit through them for your attendance. This year's line up of speakers and topics include:

January 17 (Tues.)	Surgical Oncology: A Practical Approach To Diagnosis and Treatment	Michael G. Dearmin, DVM, Dip. ACVS
January 31 (Tues.)	Round Cell Dilemmas	Susan Kraegel, DVM, Dip. ACVIM (Oncology)
February 14 (Tues.)	Make the Diarrhea Stop – A Review of the cPL Test and Current Treatments for Diarrhea	Noelani Reinker, DVM, Dip. ACVIM
February 28 (Tues)	Blending Veterinary Medicine and Management	Jon Cunnington, MBA, CVPM
March 13 (Tues)	Vaccination and Immune Mediated Disease - What We Know	Dennis Spann, DVM, Dip. ACVIM

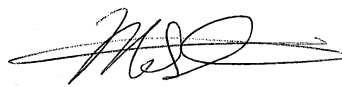

Once again all lectures will be held at **The Blue Goose Fruit Shed** located at 3550 Taylor Road in Loomis. This venue provides for a consistent schedule, every other Tuesday. We hope this will make the dates easier to remember. Presentations will begin at 7:30 p.m. and last for about 45-50 minutes, followed by 10-15 minutes for questions and answers. Light snacks and hot and cold beverages will be provided for your enjoyment. Veterinarians and staff are welcome to attend without charge.

Please mark your calendars and plan to attend this year's lecture series. We ask that you RSVP by contacting Michelle Ritchie at Loomis Basin Veterinary Clinic at least 2-3 days in advance to notify her of the number of attendees we can expect from your hospital. You can reach her in any of the following ways: phone (916) 630-2635; fax (916) 652-8863; or mritchie@loomisbasinvet.com.

Sincerely,

Rick Frey, DVM

Marcia Smith, DVM, Dip. ACVIM
